

# Peanut Butter - Jelly Sandwich

In this tutorial, we will be demonstrating how to make a Peanut Butter - Jelly Sandwich. This is a perfect snack.

Imagine: You are hungry and in need of a meal. You go into your pantry and you see you have Peanut butter, Jelly, Bread. You are not sure how to combine these ingredients to make a delicious sandwich.

## Ingredients

- 4 slices wheat sandwich bread
- 4 tablespoons creamy peanut butter
- 2 tablespoons jelly or jam
- 4 teaspoons butter

## Step 1:

- *For each sandwich spread 2 tablespoons peanut butter onto 1 slice of bread and on another side of bread spread 1 tablespoon of jelly.*

## Step 2:

- *Now place on top of peanut butter and the jelly side down. Even you can spread 1 teaspoon of butter onto the outside of each slice of bread to soften the bread and provide a rich flavor.*

**Step 3:** (Only if you like to have Grilled Sandwich)

- Place 2 sandwiches into skillet or griddle. Cook, turning once, 2-4 minutes or until golden brown and peanut butter is melted.

**Step 4:**

- Cut the crusts of the sandwich off using the butter knife. This step is **optional** for people who prefer no crusts.

**Step 5:**

- Cut the sandwich on your preference.

**Step 6:**

- Clean up your workspace.

The final step is to enjoy your sandwich! Whether you want to eat it on the go or enjoy it with a glass of milk or juice is all up to you. :)
